With just one week to go for many schools until the Easter holidays, we're delighted to let you know that our latest Kids Easter activity pack is now available to download from our website.

The pack contains lots of fun activities for Easter that include making a Bunny Rabbit stamper and chocolate egg nests along with map reading and litter picking challenges.

We've also included a list of 'What's On' websites covering the areas of our TPT partner Local Authorities, to encourage people to attend events within their communities.

The pack is aimed at primary school children with help as necessary from their parents or carers, and older children may enjoy some of the activities too.

The activity pack can be used 'on the go' by downloading it to a mobile or can be printed at home.

Download it from our Children's page at: <https://www.transpenninetrail.org.uk/welcome-to-our-childrens-page/>
